Apart from these different technical books, Establishment Rule, Track Engineering etc. are also available in this library.

HOSTEL ACCOMMODATION

There are three hostels available for the trainees with a capacity of 286 beds. One room attached with bathrooms of 12 beds is kept especially for ladies trainees.

MESS

The mess is managed by the trainees themselves on no profit no loss basis. The infrastructure is also provided by Railway. The facility of cooking gas cylinder is available. 100 nos. of trainees can take meal at a time in the dining room. There is arrangement of Veg and non-veg meal for trainees also.

MEDICAL ASSISTANCE

Divisional Railway Hospital is situated within 700 meters from Training Centre & Hostel.

RECREATION

Hostel is provided with a TV room and a reading room. Newspapers in Hindi Bengali and English are also available. Sporting facilities, Outdoor games like badminton and volley ball and Indoor games like Table Tennis, Carrom Board, Chess, Cards etc. are available.

YOGA CENTRE

In addition to the academic activities, yoga and meditation classes are regularly conducted to improve the mental and emotional well being by reducing stress, anxiety and improving mode of the trainees under the able guidance of Yoga instructor.

ART OF LIVING PROGRAMME

Special batches of the art of living programme are conducted under supervision of trainers time to time from vyakti vikas kendra by Shree Shree Ravi Shankar.

GYM:

One GYM Hall is situated in Hostel. It is equipped with Exercise cycle, Stress relieving foot massager, Portable Jogging Walking Machine etc.

METHODOLOGY OF TRAINING

In the introductory session the background of the trainees is taken and based on the lowest qualification in the group, the training programme is modified appropriately by the Instructor. The course material is given to the trainees before they attend the classes so that trainees can go through the same before the session start. Instructor before starting his subject in the class room session always tell in brief what the session is about the main course and confirm to the trainees what has been covered. Lecturing is always given with the help of teaching aids i.e. Coaching, Demonstration, Practical training in model car, visit in shed, simulator & Case studies.

SYSTEM OF EVALUATION OF THE TRAINEES

Class Test, Written Test, Viva Voce Test, Computer software having enormous questions & answers in form of objective types. Simulation of faults on working model and trouble shooting by Loco Pilots.

EXAMINATION

1. Examination is held after the completion of each course as per schedule as per Railway Board's Training Modules.
2. This is to be noted by all concern that as per laid down rules answers can be written in English or Hindi only.
3. Extracts from the "*Manual on Management*" issued by Railway Board is appended below regarding rules applicable for train passing/train running staff failing twice in the prescribed Refresher please.

5.5.2.2. : - Staff employed in Train passing/Train running duties, like Station Masters, Asstt. Station Masters, Switchmen, Cabin Men, Guards and Drivers must pass an appropriate examination at the end of periodical Refresher Course. In case they fail to pass the prescribed examination, special arrangement will be made by the Railway Administration to repeat the Refresher Course immediately or after a short period, the staff being granted leave as due to cover the intervening period or temporarily deployed in other jobs. However, if they fail in the second attempt also, they would be absorbed in an alternate category. An employee so absorbed in an alternate category is allowed to undertake further refresher course at intervals of not less than six months, but such a course is to be taken by the employee availing his/her own leave. On passing the refresher course examination such staff are absorbed in the original category on the occurrence of the first vacancy.

5.5.2.3 : - "A Driver, who fails twice in the prescribed examination after refresher course, is to be deployed as a Shunter without giving any refresher course prescribed for the Shunter.

Above instructions may be changed time to time as per latest guideline of competent authority.

4. GRADATION
